Researchers → because of identify theft concerns, many birth dates and marriage dates were removed to protect the privacy of those living people. Some people have tried to say that this Juan Nepomuceno Gurulé is the same one who's married to Maria Antonia Baca. This is not true, as both families appear in the 1860 census and they're in different parts of the state → two different men.

Juan Nepomuceno Gurulé (born 1811 in Bernalillo) and Maria Gregoria Suazo (born 1820 in Taos) [IGI](#) [1860C](#)
